

I am Felix Teo of M/s F & M Manpower Pte Ltd. My Company mainly deal with the recruitment of construction workers, maids etc. Sometimes in December 2005, my company lost the WP Online License issued by the Ministry of Manpower (MOM) due to the infringement of the labour law by one of my manager.

Since then, my company is unable to secure any work permit from MOM. I had appealed many times to MOM to lift up the WP Online suspension against my company, but to no avail.

Through recommendation, i get to know Master Ricky Chua from Chua Geomancy Consultation. After listening to the problem, Master Chua agreed to help me to perform some spiritual praying. One week after the praying, i was asked to report to MOM and to my surprise, MOM decided to lift the suspension of my company's WP Online.

All thanks to Master Ricky Chua.
